Happy New Year!!

We hope that you all enjoyed a lovely Christmas with family and friends and that 2024 brings good luck and happiness to you all!

It has been a busy start to the new year as we have welcomed all our new children and families, as well as supporting our children with their return to nursery following the Christmas break. Over the coming weeks, our focus will be supporting children to settle into new rooms and routines and building relationships with adults and peers. Staff will continue to plan a range of activities based on children's interests, suitable to supporting their development. Ideas for activities and learning for you to do at home with your children are posted on family weekly, keep an eye out for these.

Further information regarding the upcoming changes to the Government funding from April 2024 will be sent out later in the month. Once you receive this and have read the information, please speak to a member of the management team who will be on hand to answer any questions you may have.
