

July Newsletter

Welcome to our July Newsletter!

Thank you to all of those who supported our fund raising families BBQ, we all had such a lovely day and we raised an incredible £513 for The Koala Group!!

Welcome to Phyliss who will be joining our team in Piglets this month. Phyliss has a level 2 qualification and is looking forward to further developing her knowledge and skills in early years.

Sophie has made the decision to leave Littleworld to try new ventures. She will be finishing this month and we will miss her and Ocean, but wish them all the best in their new adventure!

If your child is going to be absent during the summer, please input this on to their family account. If you are unsure how to do this, please speak to a member of the management team and they will be happy to show you. This allows us to plan for meals and activities.

Last day of term
23/7/24
*Term time only
children*

Andover Food bank – Summer lunch bag project

Thank you to those of you who have supported our collection for the Andover food bank summer lunch bag project. We are accepting donations up to 12th July. If you would like a list of suitable items, please speak to the office 😊

School leavers

Please remember to inform the office of your child's last day so that we can ensure invoices are accurate. Thank you to those of you who have already done this.

Please ensure that your child has a named sun hat in nursery to ensure sun safety whilst they enjoy outdoor play.

Children will also need a coat, as the British weather is so unpredictable!

Transitions

August and September are busy months for the children moving on to the next stage of their nursery journey. Staff are on hand to support these transitions, for both children and their families. If your child is due to move to the next room, you will receive information over upcoming sessions which includes a 'meet the team' and 'our room booklet' and information on move dates and key person. If you have any questions about your child's move, please speak to a member of the team, who will be happy to help.

Littleworld Reviews

Please spare a few minutes to leave us a review on daynurseries.co.uk This can be done by scanning the QR code found on the front door or in the hallway and then follow the instructions.

Home learning library

A polite reminder to please return the wallets/tubs/resources once you have finished the home learning activity. This allows us to replenish the activity ready for the next family and to ensure there are always activities available for the children to choose.
